Jason Shelton enters his 11th season at the helm of the Lion basketball program this fall as the head men’s basketball coach.

The Lions are coming off of a historic season which saw them win the regular season conference championship for the first time in program history. The Lions also won 28 games during the 2014-15 season and advanced to the NAIA Tournament for the second year in a row.

During the 2013-14 season, the Lions set a program record for wins (29), earned the program’s first-ever No. 1 national ranking and advanced to the quarterfinals of the NAIA National Tournament.

In his time at FHU, Shelton has helped re-establish the Lions as a nationally-ranked program. Freed-Hardeman has appeared in the NAIA Top 25 in each of the last six seasons and has produced an All-American post player in each of those years as well.

In the 2008-09 season, he led the Lions to their first-ever conference championship game and the program’s first trip to the NAIA National Tournament since 1998. Freed-Hardeman also won a school-record 13 conference games and posted a 24-10 overall record.

The Lions followed with an overall record of 22-11 and conference mark of 12-4 in the 2009-10 season and advanced to their second straight conference tournament championship game. In 2010-11, FHU recovered from the loss of two senior starters to advance to the conference championship game for the third straight year and qualified for the national tournament for the second time in three seasons, finishing the year with a 22-12 record and a 12-4 mark in the TranSouth.

From 2008-2012, Shelton’s teams had a record of 88-44 and had four straight 20-win seasons, the longest streak in program history.

A series of injuries and eligibility problems ended that streak in 2012-13 as the Lions finished with a 14-19 record but still advanced to the TranSouth championship game where they lost by two points after a last-second 3-point attempt was off the mark.

Shelton came to Freed-Hardeman from Colorado where he was the assistant coach for the University of Colorado where his responsibilities included off-campus recruiting and scouting along with on-court responsibilities. He was also the director for the Ricardo Patton Basketball School.

During the Buffaloes’ 2002-03 season, he helped lead CU to its first NCAA Tournament appearance in eight years. The Buffs were the only team to defeat two Final Four participants (Kansas and Texas), and it was the first time the Buffaloes defeated four teams ranked in both polls (Kansas, Texas, Missouri, Oklahoma State) in the same year.

Before moving to Colorado, Shelton was the assistant coach at the University of Utah from 1999-2001. While there his responsibilities included off-campus recruiting and scouting along with on-court responsibilities and was the director of the Rick Majerus Basketball Camp. The 1999-2000 Utes lost to eventual national champion Michigan State in the closest game the Spartans had on the way to the title.

Shelton began his college coaching career at his alma mater, David Lipscomb University, in 1994 where he assisted coach Don Meyer in leading the Bison to a 144-36 record, four national tournament appearances and a trip to the 1996 NAIA Final Four.

While attending David Lipscomb, he was part of the 1989-90 team that was ranked No.1 in the nation, advanced to the final NAIA Final Four and set an all-time record for wins in college basketball with a 41-5 mark. During his time as a student athlete the Bisons were 139-16 and led the nation in scoring during three of those seasons by averaging 108, 111 and 110 points per game respectively.

Shelton lettered in basketball and baseball while attending Springfield High School. He earned his bachelor’s degree in speech education from David Lipscomb and his master’s in education in administration and supervision from Tennessee State University.

Shelton and his wife, Melanie, have two sons, Mac and Myles, and two daughters, Presley and Payton Rhodes.
Chase Teichmann begins his first season with the Lion basketball program as a graduate assistant. Teichmann played high school basketball for Brentwood High School under Dennis King, where he graduated in 2011. He received his undergraduate degree from University of Tennessee, Chattanooga, where he served as student assistant for the men’s basketball program. Chase is the brother of Kyle Teichmann, previous All-American for the Lion basketball program, and Grant, who is a freshman player for the Lions this season.

Vincent Meninno begins his third season as the assistant coach of the men’s basketball program. Meninno, originally from Newbury, N.H., graduated from Kearsarge Regional HS in 2006. He received a B.S. in Exercise Science from Appalachian State (N.C.) University in 2010 and an M.A. in Sport Management from East Tennessee State University in 2012.

While at Appalachian State, an NCAA Division I program, Meninno served for two years as undergraduate manager for coaches Houston Fancher and Buzz Peterson. He was part of the team that went to the semifinals of the Collegelnsiders.com Tournament and finished the season with a record of 24-13.

He then spent two years as a graduate assistant at ETSU, also an NCAA Division I program, under head coach Murray Bartow. The ETSU team also went to the semifinals of the CIT and finished the year with a record of 24-12. Meninno later transitioned into the role of video coordinator.

REACHING NEW HEIGHTS
Riding the strength of a 15-game winning streak, the Lions reached No. 6 in the NAIA National Ratings. That spot was short-lived, though, following a 79-50 loss to Union that triggered a five-game losing streak.

JANUARY 24, 2002

NORSWORTHY TOPS LIST
With his jumper in the first half of the final game of his career, Jamie Norsworthy became the program’s all-time leading scorer passing Micheal Gaines. Norsworthy finished his career with 2,113 points.

NEW WINS RECORD
A 66-60 win over Lyon College gave FHU its 24th win of the season, surpassing the previous record of 23 wins set in 1997-98. The Lions beat Lyon four days later to win their 25th game, which was a new record for wins.
SHELTON ERA BEGINS
Current Lion head coach Jason Shelton coached his first game on this date as the Lions won his debut, defeating Williams Baptist College 91-66.

KANSAS CITY, HERE WE COME
After a 10-year absence, the Lions returned to the NAIA National Tournament. A 17-point first-half lead evaporated as FHU lost in overtime to eventual national champion Rocky Mountain College, 78-77. Twenty-five turnovers plagued the Lions in the loss.

MARCH 16, 2011
RETURN TO NATIONALS
The Lions earned an at-large bid to the national tournament for their second trip in three years. FHU hung tough against No. 8 Azusa Pacific University but lost 92-79, leaving the Lions still looking for their first win at nationals.

MARCH 7, 2009
HEADING TO CONFERENCE CHAMPIONSHIP
A 72-68 overtime win over Cumberland University put the Lions into the TranSouth Conference championship game for the first time in 13 years. Kristoffer Smith had a huge game with 27 points and six rebounds to lead FHU.

MARCH 8, 2011
A buzzer-beating 3-pointer by Martin Methodist College’s James Justice kept FHU from claiming its first conference championship. Despite going 0-for-14 from 3-point range in the second half, the Lions still had a chance to force overtime before Justice’s shot gave MMC a 69-66 win.
NUMBER ONE
Riding the strength of a 16-0 record, the Lions earned the program’s first-ever No. 1 NAIA ranking in the Monday polls. Unfortunately, FHU lost later that week but remained in the top 10 for the rest of the season.

Freed-Hardeman begins its third season as a member of the American Midwest Conference in 2014-15.

The American Midwest Conference began as the Show-Me Conference in 1986 and became the AMC in 1994 with the addition of a school outside of Missouri. Freed-Hardeman is the first Tennessee University to join the membership. The conference has grown to 13 member schools entering the 2014-15 athletic seasons, making it one of the largest conferences in the NAIA.

Due to the growth, the conference hired its first-ever full-time commissioner effective June 15, 2014. Will Wolper, former commissioner of the NCAA Division III St. Louis Intercollegiate Athletic Conference, was chosen to lead the American Midwest into the future as one of the NAIA’s premier conferences.

Teams from the American Midwest are continually competitive on a national level, and last year was no exception. The Freed-Hardeman women’s basketball team advanced to the Fab Four of the NAIA National Tournament while the men’s basketball team qualified for the NAIA Tournament for the second straight year. The conference sent two men’s teams and three women’s teams to the basketball national tournaments.

Columbia’s women’s soccer program – only in its second year – nearly upset sixth-ranked Vanguard in the opening round of the national tournament. Both the Columbia and Park women’s volleyball teams advanced to the final site of the national tournament, and Columbia advanced out of pool play into the final 12. William Woods saw its women’s golf team finish fourth at nationals and its men’s team finish sixth. Park had a women’s marathon runner finish sixth at nationals and a decathlon competitor finish 12th.
