Dale Neal begins his 46th year of coaching and his 22nd season at the helm of the Lady Lion basketball program, having compiled a record of 577-163 and a winning percentage of .771 at FHU.

Neal is coming off three straight seasons where the Lady Lion basketball program has advanced deep into the NAIA National Tournament. The Lady Lions compiled a 34-2 record and advanced to the Fab Four in the NAIA National Tournament in the 2012-13 season. During the 2013-14 season, the Lady Lions compiled a 36-2 record and advanced to the NAIA National Tournament Championship Game. Following up their impressive season in 2013-14, the Lady Lions went 35-2 and advanced to the NAIA National Tournament Fab Four during the 2014-15 season.

Few programs in the NAIA have seen the levels of success and consistency that Neal has brought to Freed-Hardeman in the last 18 seasons. Over that time frame, the Lady Lions are one of only two programs to have won at least 20 games and competed in the NAIA National Tournament every year. Only three schools can claim each accomplishment by itself.

26 games and making the school’s first ever appearance in the NAIA National Tournament and winning its first game, 76-63 over East Central Oklahoma.

Since that time, Freed-Hardeman has been a fixture in both the NAIA Top 25 and the NAIA National Tournament. The Lady Lions have made five total appearances in the Fab Four (1999, 2008, 2011, 2013, 2014) and one national championship game (2014). They have also advanced to the national quarterfinals three times (2004, 2005, 2006) and won six conference championships (TranSouth: 2004, 2005, 2006, 2011, 2013; American Midwest: 2014)

After a record-setting season in 2012-13, the Lady Lions topped it in 2013-14 after going 36-2 and advancing to their first-ever NAIA National Championship game where they were edged by seven-time national champion Oklahoma City, 80-76. FHU was ranked in the top 3 in every national poll except the pre-season poll. The Lady Lions also captured the regular season and tournament championships in their first year as a member of the American Midwest Conference.

In 2012-13, the Lady Lions went 34-2 and spent much of the year as the No. 1 ranked team in the nation. They also captured their fifth TranSouth Conference championship, going undefeated in both regular season play and the conference tournament.

During Neal’s tenure, the Lady Lions have boasted six TranSouth Conference Players of the Year, three WBCA/NAIA National Players of the Year (Jana Cross in 2009, Meribeth Boehler in 2011 and Hayley Newby in 2015) and two AMC Players of the Year. FHU has a total of 26 All-American selections since 1999, including 13 first-team honorees.

Neal holds a Bachelor of Arts degree from Harding University (’69) and a Master of Physical Education degree from the University of Nebraska (’80). He coached the men’s basketball team at York College in Nebraska for 11 years, where his teams combined record was 230-96 (.705), before coming to FHU. Neal received seven coach of the year awards, including an NJCAA Region IX Coach of the Year award, while at York. Coach Neal has received several Coach of the Year honors while at FHU, including TranSouth Conference Coach of the Year for five years, American Midwest Conference Coach of the Year for two years, and was the NAIA Coach of the Year this past season.

Neal and his wife, Kathy, reside in Henderson and have four children and 15 grandchildren.

Hargett played for three seasons at Faulkner (Ala.) University before transitioning into the role of student assistant in her senior year. She served as team captain for the 2010-2011 season and helped the Eagles earn their first bid to the National Tournament and a NAIA Sweet 16 appearance in 2013. She was an NAIA Scholar-Athlete and was named to the All-Academic SSAC Team each season.

Hargett began her sports career at Madison Academy where she played both volleyball and basketball. She earned All-Region honors in helping lead MA to state championship appearances in her junior and senior years.

While at CSU-LA, Melville was a two-year starter and earned first-team all-conference honors as a junior after averaging 14.5 points per game and shooting 39.2 percent from 3-point range. THE PLAYERS

JAI MURPHY
1 | JUNIOR | G
NASHVILLE, TENNESSEE

Jai Murphy prepped at Brentwood Academy in Nashville, Tenn. where she averaged 15 points, 5 rebounds and 3 assists per game her senior season while leading her team to a state runner-up finish. After high school, Murphy had a short stint at Kansas State University, before transferring to Division II Lincoln University (Pa.). As a freshman at Lincoln University, Murphy appeared in all 28 games averaging 3.8 points per game. With her skill set, versatility, and experience look for Murphy to make an immediate impact this season.

HANAAN HARRIS
2 | SOPHOMORE | G
FRANKLIN, TENNESSEE

Hannah Harris impressed the Lady Lion coaching staff early on with her intensity and leadership and was one of the first options off the bench at the point. Harris played in 24 games last season and averaged 1.3 points per game. The versatile 5-foot-8 guard has the ability to score from multiple ranges. Harris played under former Lady Lion Kari Bishop Goodwin at Franklin High School.

HALEY SMITH
3 | FRESHMAN | F
SEARCY, ARKANSAS

Smith, a 5-foot-11 forward, prepped at Harding Academy where she helped lead the Wildcats to state tournament appearances for three straight seasons. As a senior, she was named AHSAA Class 3A All-State and was picked for the Class 3A All-State Tournament team. Smith averaged in double-figures during her last three years of high school ball, including 14 points per game as a senior to go along with eight rebounds per game. Smith has a high basketball IQ and will provide balance to the Lady Lions offense this season with her athletic ability.

TALEEAH CROSS
4 | JUNIOR | G
SOUTH FULTON, TENNESSEE

Taleeah Cross has been a fixture in the Lady Lion starting lineup since arriving at Freed-Hardeman two seasons ago. Last season Cross started all 35 games and averaged 10.9 points per game while playing her natural two-guard position. Cross finished her first season as the team’s second-leading scorer with 14.0 points per game and showed flashes of being able to take over games, as evidenced by her 21-point performance in the NAIA championship game during her freshman season. As one of the more experienced players in the Lady Lion backcourt, look for Cross to have a breakout junior season.

SANDREA SYLMAN
5 | FRESHMAN | G
HARRISON, TENNESSEE

Sandrea Sylman prepped at Chattanooga Central High School where she was a four-year starter. She capped her career with an outstanding senior season, averaging 22 points, seven rebounds and four steals per game while leading her team to a district championship. Sylman scored over 1250 points in her career while shooting 52 percent from the field and 71 percent from the free throw line. A quality player on both ends of the court, Sylman is a defensive weapon, a great playmaker and is expected to make a huge impact for the Lady Lions as a freshman this season.

KENLEY CROWELL
12 | SENIOR | G
HOHENWALD, TENNESSEE

Kenley Crowell continues to improve as she begins her fourth season with the Lady Lion basketball program. Last season she played in all 35 games for the Lady Lions and started nine of them. During her junior season, Crowell scored 190 points and averaged 5.4 points per game. Throughout her career with the Lady Lions, Crowell has scored 441 points and shot 37.6 percent from the field. At 5-foot-11, Crowell gives FHU an advantage on the boards, creates matchup problems with opposing guards and has a short and mid-range jumper that is very difficult to defend. As a senior, she will be counted on to provide leadership to a young team.

ERIKA ZURAUSKAITE
14 | SENIOR | P
PANEVEZYS, LITHUANIA

Erika Zurauskaite saw limited action last year in her third season at Freed-Hardeman, but that could change this year as the 6-foot-3 post has made some big improvements in the off-season. She played in 18 games last season and averaged 3.1 points per game as a senior to go along with eight rebounds per game. Smith has a high basketball IQ and will provide balance to the Lady Lions offense this season with her athletic ability.

Brandee Busenlehner begins her second season with the Lady Lion basketball program after transferring to FHU from Wallace State (Ala.) last season. She provided a spark to the Lady Lion offense last season from behind the arc, shooting 41.5 percent from three-point range while scoring 304 points. Busenlehner, a left-handed shooter, made 42.2 percent of her attempts from behind the arc in her sophomore year at Wallace State (Ala.). A speedy player who is also a good ball-handler, she has proven her ability to contribute to the Lady Lion offense and looks to finish her career with another breakout season.

Trisha Patton, a native of Green Bay, Wisc., transferred to Freed-Hardeman this season after spending two outstanding seasons at Milwaukee Area Technical College, where she earned NJCAA First Team All-American honors in her final year after averaging 17.8 points and 9.1 rebounds per game. She was also named the North Central Conference Player of the Year and selected to the all-region team for Region IV. The Lady Lions will use Patton in a variety of ways this season, as she can play any position on the offensive end, whether it is outside handling the ball or inside scoring and rebounding.

**Trisha Patton**

23 | SENIOR | F
GREEN BAY, WISCONSIN

Tiffany Pate looks to fill a hole left by All-Americans Hayley Newby and Grace Alonso de Armino. Last season Pate played in 21 games, scored 76 points and pulled down 67 rebounds. Her breakout game came at Stephens (Mo.) College, where she scored 12 points and shot 85.7 percent from the floor on 6 for 7 shooting. At 6-foot-3, Pate has the potential to develop into an impact player for the Lady Lions.

31 | SOPHOMORE | P
THOMSON, GEORGIA

Kim Mallory is entering her second season with the Lady Lions after providing solid minutes under pressure at last year’s National tournament. Mallory played in 20 games last season as a freshman, scored 71 points and shot 36 percent from the field. She is a versatile player who is able to play both inside and outside, but is at her best when facing the basket and taking defenders off the dribble.

**Kim Mallory**

33 | SOPHOMORE | F
FULTON, MISSISSIPPI

Morgan Warren provided depth in the backcourt last season as a freshman, particularly at point guard. She played in 24 games for the Lady Lions and scored 43 points while running the point. Warren was an all-district and all-region performer at Goodpasture Christian in Nashville, Tenn., where she averaged 11.8 points, 6.9 assists and 5.1 steals per game as a senior. A gritty competitor, she looks to contribute even more to the offense this season.

**Morgan Warren**

34 | SOPHOMORE | G
NASHVILLE, TENNESSEE

Mady Newby is the fifth person from her immediate family to compete as a student-athlete at FHU in the last seven years. Newby was an all-district and all-region performer at Farragut High School, and has many similarities in her game to her sister – which is something Lady Lion opponents do not want to hear. Newby red shirted last season and will look to contribute to the success of the lady Lions this year now that she is healthy.

**Mady Newby**

50 | SOPHOMORE | P
KNOXVILLE, TENNESSEE

Cargie Hatchel prepped at Dresden High School, where she was a three-time all-district and two-time all-region selection. She ranks ninth all-time in Dresden history in scoring with over 1000 points, fifth all-time in assists and third all-time in 3-pointers made. During her time at Dresden, her teams won nearly 100 games while claiming three district titles, two sectional appearances and one state tournament appearance. Hatchel has shown herself to be a player who wants the ball at crunch time and the Lady Lions will look to her to add some scoring punch with her outside shooting ability.

**Carrige Hatchel**

DRESDEN, TENNESSEE

Bree Linton prepped at Riverside High School where she finished her career as the school’s second-leading scorer with 1324 points. As a senior, she led the Lady Panthers to their first-ever state tournament appearance averaging 14.8 points, 7.3 rebounds, 4.2 steals and 2.6 assists per game. Throughout her career at Riverside, Linton averaged 11 points, 7.3 rebounds and 3.5 steals per game. Linton’s high basketball IQ and passion for the game will benefit the Lady Lions this season.

2. What has been your favorite class?
Adaptive Physical Education -- it has to do with what I want to do as a career.

Playing softball at a school; I was offered a few softball scholarships when I was a senior in high school. I picked basketball over softball, so if I wasn’t playing basketball I would definitely be playing softball at some school.

10. What’s the funniest thing that has happened during a team road trip?
We were about to go into a hotel and someone laid a bag with our team laptop on the ground. A lady was going around the bus and she saw the bag lying beside the bus and just ran completely over it and it crushed the laptop. It wasn’t funny at the time but looking back it is hilarious now. I’m glad it was a laptop instead of a teammate!

All the teachers here at FHU make a personal connection with students and that’s what I like a lot. But I think Gayle McDonald is my favorite teacher because I had the closest connection with her. Just going to school, but I would rather be playing basketball!
The Lady Lions graduated three of their top scorers at the conclusion of the 2014-15 season. Hayley Newby, Grace Alonso de Armino and Paige Melville combined for 1,541 of FHU’s 2,813 points last season, accounting for 45 percent of the Lady Lions scoring last season.

In the last seven seasons, Freed-Hardeman has made four trips to the NAIA Fab Four. The Lady Lions did it last year with wins over Cal State-San Marcos, Benedictine College and Montana State University-Northern before losing to Campbellsville (Ky.).

The Lady Lions won thirty-five straight games during the 2014-15 season before losing in the Fab Four of the NAIA National Tournament to Campbellsville (Ky.).

**PROGRAM LAUNCHES**

Freed-Hardeman College instituted women’s basketball as a collegiate sport beginning in 1979. Dew Drop Rowlett was the team’s first head coach and guided the Lady Lions to a 12-12 record in their inaugural season.

**NOVEMBER 9, 1981**

**BOLEY TAKES OVER**

Bill Boley became the second coach in the program’s young history after Rowlett retired at the end of the 1980-81 season. Boley’s tenure began with a 70-62 win over Mississippi Industrial College.

**NOVEMBER 7, 1994**

**NEW WINS RECORD**

A 76-55 win over Lambuth (Tenn.) University gave FHU 20 wins for the first time in school history. In only one season from this year on would the Lady Lions fail to win 20 or more games.

**JANUARY 8, 1981**

**FIRST UNION WIN**

It happened well before the rivalry truly took shape, but FHU scored its first-ever win over Union (Tenn.) University by the score of 84-83 in Jackson. The Lady Lions won another nailbiter over the Lady Bulldogs one month later, 87-85.

**FEBRUARY 22, 1995**

**NEAL ERA BEGINS**

In his first game as head coach, Dale Neal guided the Lady Lions to a 74-72 road win over Lyon (Ark.) College. It kicked off what turned out to be the most successful tenure of any coach for any sport in FHU history.
LADY LION HEAD COACH DALE NEAL ENDED THE 2014-15 SEASON ACCUMULATING 577 WINS AT FHU. NEAL ENTERS HIS 22ND SEASON AT FHU AND HAS COMPILED AN IMPRESSIVE 577-163 RECORD, GOOD ENOUGH FOR A .771 WINNING PERCENTAGE.

Since the 2012-13 season, the Lady Lions have boasted a combined 105-4 record, which gives them a .94 winning percentage over the past three seasons.

LADY LION HISTORY

FEBRUARY 4, 2006
SEVEN IN A ROW
A tight 53-50 victory over Union (Tenn.) University gave FHU seven straight wins over its conference rival. The Lady Bulldogs broke that streak at Union later in the month with a 65-61 overtime win, but the series that was once heavily dominated by Union was now a much more evenly-matched rivalry.

MARCH 6, 2006
THREE-PEAT
The Lady Lions won their third straight TranSouth Conference championship with a 71-64 victory over Trevecca Nazarene (Tenn.) University in Henderson. FHU was the only team other than Union to win multiple championships since the inception of the conference in 1997.

MARCH 17, 2006
WINS RECORD BROKEN
FHU won its 32nd game of the season during the Sweet 16 of the NAIA National Tournament, a 71-56 victory over the University of Mobile (Ala.), eclipsing the record of 31 wins set two years earlier.

MARCH 7, 2005
TWICE AS NICE
It wasn’t the blowout that it was the previous year, but the Lady Lions successfully defended their TranSouth Conference championship with an 88-82 overtime win over Union (Tenn.) University.
After three years of falling short in the quarterfinals (2004, 2005, 2006), the Lady Lions broke through for their second trip to the NAIA Fab Four with a 76-70 win over Lubbock Christian (Texas) University. FHU trailed by seven at halftime but went on a 19-2 run in the second half to fuel the win.

DEFEATING A DIVISION-I
It only counted as an exhibition, but the Lady Lions turned heads with a convincing 85-76 win over NCAA Division I Lipscomb (Tenn.) University in Nashville. FHU led by 16 points late in the second half before the Lady Bison closed the gap at the end.

CROSS FASTEST TO 1,000
With her second-half basket in the lane, Jana Cross reached 1,000 career points faster than any player in program history – including all-time points leader Qiana Elam. Cross reached the millennium mark in 54 games, nine games fewer than it took Elam.

JANUARY 16, 2012
NO. 1 IN THE NATION
Never had an athletic team at Freed-Hardeman been ranked No. 1 in the NAIA until the Lady Lions changed that in mid-January. A win over No. 2 Union (Tenn.) coupled with a loss by No. 1 Oklahoma City allowed FHU to vault into the top spot in the national rankings.
After spending the season ranked No. 2 and No. 3, the Lady Lions moved back into the top spot in the NAIA Top 25. They stayed there for the next four polls and entered the national tournament as the No. 1 overall seed for the first time ever.

Freed-Hardeman begins its third season as a member of the American Midwest Conference in 2015.

The American Midwest Conference began as the Show-Me Conference in 1986 and became the AMC in 1994 with the addition of a school outside Missouri. Freed-Hardeman is the first Tennessee University to join the membership. The conference has grown to 13 member schools entering the 2015-16 athletic seasons, making it one of the largest conferences in the NAIA.

Due to the growth, the conference hired its first-ever full-time commissioner effective June 15, 2014. Will Wolper, former commissioner of the NCAA Division III St. Louis Intercollegiate Athletic Conference, was chosen to lead the American Midwest into the future as one of the NAIA’s premier conferences.

Teams from the American Midwest are continually competitive on a national level, and last year was no exception. The Freed-Hardeman women’s basketball team advanced to the Fab Four of the NAIA National Tournament while the men’s basketball team qualified for the NAIA Tournament for the second straight year. The conference sent two men’s teams and three women’s teams to the basketball national tournaments.
